Thank you Dean and Maggie. Let me know if/when you want Bob or I to make a call.

I talked to Gary Morin last Wed and he updated me on the GE contract, his dates do correspond to Dean's but he painted a very positive picture! Unfortunately I did not have the benefit of Dean's perspective at that time. I will contact Gary and indicate we have a concern to see if we can push it along. Once we get Gary's info Bryan or Bob can contact Scott and/or the Colonel to push this along.

Dean - Attached is the schedule as it looks now.

BTW - The KO has back-tracked a bit on the 10-year contract duration and is having our Office of Counsel look at it
